

Procedures to Apply for T and U Visa Supplement B Certifications

Pursuant to Attorney General Directive No. 2018-6 the Cumberland County Prosecutor's Office has established procedures for processing requests for T and U visa certifications (see 8 U.S.C. secs. 1101(a)(15)(T) and 1101 (a)(15)(U)) from potential victims of crime or human trafficking. The links to the forms are included below.

Please fill out the first section of the appropriate Supplement B Form with your information and provide an address or email address where you would like the completed forms to be sent. The Cumberland County Prosecutor's Office will accept physical or electronic copies and will process all appropriate requests for certifications. Completed certifications will be returned within 120 days of their receipt.

Please be advised that the "Form B Certifications" are not the same as petitioning for a U or T visa. Given the complexity of U visa and T visa petitions, petitioners often work with a legal representative. The Cumberland County Prosecutor's Office cannot provide legal advice for any purposes.

Please email completed Visa and T Visa Forms to CCPOvisas@co.cumberland.nj.us
